

This is a translation of the certificate DE12/711040714.00

The management system of

HYDAC Technology GmbH

Industriegebiet, DE 66280 Sulzbach

has been assessed and certified as meeting the requirements of
ISO 14001:2015

For the following activities

Development, production, sales and service for components, units and systems for hydraulics, filtration technology, fluid technology, process filtration and electronics

This certificate is valid from 02 November 2023 until 17 February 2026 and remains valid subject to satisfactory surveillance audits.

Issue 18. Certified since 25 July 2023

Organization certified since 21 November 2012 and first certified by SGS under SAS since 25 July 2023.

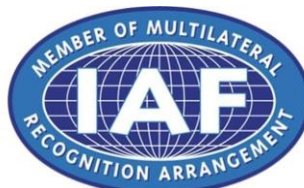

Certified activities performed by additional sites are listed on subsequent pages.
